## ASID '06

The 9<sup>th</sup>  
Asian Symposium on  
Information Display

October 8 to 12, 2006  
New Delhi, India

*Conference Site*

Habitat World at India Habitat Centre  
Lodhi Road, New Delhi - 110003 (India)

The Asian Symposium on Information Display (ASID), originated from the joint Japan-Korean information display conference, has become one of the major regional information display conferences organized by the SID.

The India Chapter of the Society for Information Display is organizing this technical symposium on all aspects of display science and technology.

The purpose of the symposium is to provide a friendly environment for display researchers, especially in Asia region, to present their work and exchange information. There will be an exhibition in conjunction with the symposium to showcase the latest technologies in consumer and specialized displays.

All interested authors are requested to submit abstracts for oral and poster presentations.  
**The abstract deadline is July 1, 2006.**

**A tour to Tajmahal will be organized for the participants and their spouses.**
