FAQs for PG Admissions

Q. Can the dates of written-test/interview be changed?

A: The dates for written-test/interviews cannot be changed.

Q. My name appears in the list of shortlisted candidates available on the website but I have not received any email.

A: It may be possible that your email account has a spam filter or other email blocking applications. Please check, and if it is not the case, write to us at pace@iitk.ac.in with the following details: application number, name, category and specializations for which you have been shortlisted but not received email.

Q How to reach the examination venue?

A: Please refer to the maps and admission schedule provided with the call letter. In case of doubt, please clarify directions from the security guards of IIT Kanpur. These guards are present near road junctions and at entrances of buildings.

Q. Can I be late for the written test/interview?

A: No. Please strictly follow the reporting time mentioned in your call letter. Being late to report during the written examination/interview may lead to your disqualification.

Q. When will the results be informed to me?

A: Usually, it takes about 2-3 weeks after the completion of the written test/interview to complete all the procedures and send the offer letter for admission. Offer letters are sent by email, where all details about the acceptance of offers are provided.
