Dear Professor Misra,

The Government of Goa has designated Imagine Panaji Smart City Development Limited (IPSCDL), a wholly owned Government Company and Special Purpose Vehicle (SPV) of the Government of Goa as the State Mission Directorate for AMRUT and State Level Nodal Agency and the State Mission Management Unit for Smart City Mission. IPSCDL has been formed to bring about the development of smart urban infrastructural facilities/projects for Panaji and Goa.

This Corporation is pleased to announce the opening of application process for the well acclaimed internship programme for the year 2018. The Corporation is offering internship on various projects and this potential engagement helps to serve as a curricular practical training which is associated with the academic program at your Institute. Your students may want to gain valuable experience, exposure and mentorship from the leadership of this Corporation along with various prestigious projects that are being implemented with multilateral financial institutions such as The World Bank, ADB, etc. with leading global firms. The past interns of the Corporation have been successfully placed with multinational firms such as EY, PwC, IPE Global, etc.

All students with all academic disciplines are welcome with passion and demonstrated interest in pursuing an approach into intensive learning and project management.

The eligible selected candidates at the internship shall not carry any financial remuneration at this stage. However, on completion of the internship the students may opt for dissertation with IPSCDL for which a financial compensation may be provided at the discretion of IPSCDL, subject to performance. The location of the internship assignment will be in Panaji, Goa.

Your respective faculty co-ordinators may get in touch with the Human Resource Department at [hrd@imaginepanaji.com](mailto:hrd@imaginepanaji.com) for taking this initiative forward, please feel free to contact office of the undersigned.

Warm regards,

Yours

truly,

S. Pal Chaudhuri.
