Core Time Table 2025-26/1st Semester

Instructions for preparing the time table:

- (1) Download the departmental time table template from the url as mentioned in TABLE-A.
- (2) It can be noticed that all UG departmental compulsory courses (and some other courses) have already been scheduled. The schedules of these courses are fixed and cannot be changed by the departments. However, the names of the instructors of these courses need to be provided by the department.
- (3) It is also be noticed that several types of slots, i.e., HSS-I and HSS-II slots (only for HSS department), DE-slots, OE-slots and PG-slots have been specified in the time table template.
- (4) Please schedule the HSS, DE, OE and PG courses of your respective department in these slots by strictly following the instructions as given in the time table template.
- (5) For each course, please mention the course number, L-T-P-D and unit details, course name, name of the instructor and the slot in which the course should be scheduled.
- (6) While scheduling the modular courses, please mention their offering time i.e. pre- mid semester (first half) or post mid-semester (second half).
- (7) Please be careful in scheduling courses with multiple attributes, i.e., DE/PG, DE/OE, OE/PG, HSS/DE, HSS/OE etc. and courses declared as part of a Minor. The instructions for scheduling such courses have been given in the time table template. Please do not hesitate to contact OARS office in case of any doubt.
- (8) Please note that each course offered by a department (except UG projects) must be scheduled in a slot. A course without a slot will not be uploaded on the online registration system.
- (9) However, a course assigned in one slot can be changed to another slot at a later date (by contacting OARS) if the department wishes to do so for any reason.
- (10) Thus the role of the department is limited to assigning slots for various HSS, DE, OE, Minors and PG courses. The corresponding day-wise schedule of the course will be reflected in Pingala automatically.
- (11) There is no need for specifying a room for a course. Rooms for various courses will be assigned after pre-registration and this information will be available on Pingala.
