INSTRUCTIONS FOR ONLINE BID SUBMISSION

This tender document has been published on the Central Public Procurement Portal (URL: <http://eprocure.gov.in/eprocure/app>) for inviting the tenders from the eligible contractors. The bidders are required to submit softcopies of their bids electronically on the CPP portal, using valid Digital Signature Certificates (DSC). The instructions given below are meant to assist the bidders in registering on the CPP portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP portal. More information useful for submitting online bids on the CPP portal may be obtained at <http://eprocure.gov.in/eprocure/app>

REGISTRATION

1. Bidders are required to enroll on the e-procurement module of the Central Public Procurement portal (URL: <http://eprocure.gov.in/eprocure/app>) by clicking on the link, "click here to enroll". Enrolment on the CPP portal is free of charge.
2. As part of the enrolment process, the bidders will be required to choose a unique user name and assign a password for their accounts.
3. Bidders are advised to register their valid e-mail address and mobile number as part of the registration process. These would be used for any communication from the CPP Portal.
4. Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class 3 certificates with signing key usage) issued by any certifying authority recognized by CCA India (e.g. Sify / TCS / nCode / eMudhra etc.) with their profile.
5. Only one valid DSC should be registered by a bidder. Please note that bidders are responsible to ensure that they do not lend their DSCs to others which may lead to misuse.
6. Bidder then logs into the site through the secured log-in by entering their user ID/password and the password of the DSC / eToken.

CORRECTION (C)	NIL	E.E.
INSERTION (I)	NIL	
DELETION (D)	NIL	

SEARCHING FOR TENDER DOCUMENTS

1. There are various search options built in the CPP portal to facilitate bidders to search active tenders by several parameters. These parameters could include tender ID, organization name, location, date, value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as organization name, a form of contract, location, date, other keywords, etc. to search for a tender published on the CPP portal.
2. Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. The tenders can be moved to the respective "My Tenders" folder. This would enable the CPP portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.
3. The bidder should make a note of the unique Tender ID assigned to each other, in case they want to obtain any clarification/help from the Helpdesk.

PREPARATION OF BIDS

1. Bidders should consider any corrigendum published on the tender document before submitting their bids.
2. Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bids. Please note the number of covers in which the bid documents have to be submitted. Any deviations from these may lead to the rejection of the bids.
3. Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document/schedule and generally, they can be in PDF / XLS formats. Bid documents may be scanned with 100 dpi with a color/black & white option.

SUBMISSION OF BIDS

1. Bidder should log into the site well in advance for bid submission so that he/she uploads the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.

IWD/«DIV»-3

2. The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
3. A standard BOQ Format has been provided with the tender document to be filled by all the bidders. Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. Bidders are required to download the BOQ file, open it and complete the blue colored [unprotected] cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it online, without changing the filename. If the BOQ file is found to be modified by the bidder, the bid will be rejected.
4. The server time (which is displayed on the bidders’ dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
5. All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening.
6. The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
7. Upon the successful and timely submission of bids, the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.

ASSISTANCE TO BIDDERS

1. Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the tender inviting authority for a tender or the relevant contact person indicated in the tender. The contact number for the Help Desk is 0512-259-7725 between 10:30 hrs to 17:00 hrs. The email-id for the Help Desk is *tarung@iitk.ac.in*.
2. Any queries relating to the process of online bid submission or queries relating to the CPP portal, in general, may be directed to the 24 x 7 CPP Portal Help Desk.

GENERAL INSTRUCTIONS TO THE BIDDERS

1. The tenders will be received online through the portal <https://eprocure.gov.in/eprocure/app>. In the technical bids, the bidders are required to upload all the documents in PDF format.
2. Possession of a valid class III Digital Signature Certificate (DSC) in the form of a smart card / e-token in the company's name is a prerequisite for registration and participating in the bid submission activities through <https://eprocure.gov.in/eprocure/app>. Digital Signature Certificates can be obtained from authorized certifying agencies, details of which are available on the website <https://eprocure.gov.in/eprocure/app> under the link "Information about DSC".
3. Tenderers are advised to follow the instructions provided in the "Instructions to the tenderer" for the e-submission of the bids online through the Central Public Procurement Portal for e-procurement at <https://eprocure.gov.in/eprocure/app>.
4. The enlistment of the contractors should be valid on the last date of submission of tenders. In case the last date of submission of tender is extended, the enlistment of the contractor should be valid on the original date of submission of tenders.
5. The intending tenderer must read the terms and conditions of FORM-6 for e-Tendering carefully. He should only submit his tender if he considers himself eligible and he is in possession of all the documents required.
6. Information and Instructions for tenderers posted on the website shall form part of the tender document.
7. The Institute Campus has been divided into different Zones. The copy of the Institute Master Plan duly marked the different Zones is attached on page no.38 Intending Bidders are advised to visit and examine the existing buildings under **Zone-XI** and its surroundings and satisfy themselves before submitting their bids. A bidder shall be deemed to have full knowledge of the site whether he inspects it or not and no extra cost consequent on any misunderstanding or otherwise shall be allowed. The bidders shall be responsible for arranging and maintaining at their own cost all materials, tools & plants, water, electricity access, facilities for workers, and all other services required for executing the work unless otherwise specifically provided for in the contract documents. Submission of a bid by bidders implies that he has read this notice and all other contract documents and has made himself aware of the scope and specifications of the work to be done.
8. The MSMEs are allowed to participate in tendering without EMD on submitting/uploading the valid Registration in the appropriate category having the required turnover and experience of similar nature of work.

This guarantee shall be in the form of Deposit at Call receipt of any scheduled bank / Banker's cheque of any scheduled bank / Demand Draft of any scheduled bank / Pay order of any Scheduled Bank (in case the guarantee amount is less than Rs. 1,00,000.00) or Government Securities or Fixed Deposit Receipts or Guarantee Bonds of any Scheduled Bank or the State Bank of India in accordance with the form annexes hereto
9. The competent authority on behalf of the Board of Governors, IIT, Kanpur does not bind itself to accept the lowest or any other tender and reserves to itself the authority to reject any or all the tenders received without the assignment of any reason. All tenders in which any of the prescribed condition is not fulfilled or any condition including that of conditional rebate is put forth by the tenderers shall be summarily rejected.
10. Canvassing whether directly or indirectly, in connection with tenderers is strictly prohibited and the tenders submitted by the contractors who resort to canvassing will be liable for rejection.
11. The competent authority on behalf of Board of Governors, IIT, Kanpur reserves to himself the right of accepting the whole or any part of the tender and the tenderers shall be bound to perform the same at the rate quoted.
12. The contractor shall not be permitted to tender for works in the IIT Kanpur responsible for award and execution of contracts, in which his near relative is posted a Divisional Accountant or as an officer in any capacity between the grades of Executive Engineer and Junior Engineer (both inclusive). He shall also intimate the names of persons who are working with him in any capacity or are subsequently employed by him and who are near relatives to any gazetted officer in the IIT Kanpur. Any breach of this condition by the contractor would render him liable to be removed from the approved list of contractors of this Department.
13. No Engineer of Gazetted Rank or other Gazetted Officer employed in Engineering or Administrative duties in an Engineering Department of the Government of India is allowed to work as a contractor for a period of one year after his retirement from Government service, without prior permission of the Government of India in writing. This contract is liable to be canceled if either the contractor or any of his employees is found at any time to be such a person who had not obtained the permission of the Government of India as aforesaid before submission of the tender or engagement in the contractor's service.
14. The tender for the works shall remain open for acceptance for a period of ninety (90) days from the date of opening of tenders if any tenderer withdraws his tender before

The tenderer is advised to read and examine the tender documents for the work and the set of drawings available with the Engineer-in-charge. He should inspect and examine the site and its surroundings by himself before submitting his tender.

1. Unless otherwise provided in the Schedule of Quantities/Specifications, the rates tendered by the contractor shall be all inclusive and shall apply to all heights, lifts, leads, and depths of the work and nothing extra shall be payable to him on account of the same. Extra payment for centering/shuttering, if required to be done for heights greater than 3.5 m shall however be admissible at the rates arrived at by clause 12 of the agreement, if not already specified.
2. Other agencies doing works related to this project may also simultaneously execute their works and the contractor shall afford the necessary facilities for the same. The contractor shall leave such necessary holes, openings, etc. for laying/burying in the work, pipes cables, conduits, clamps, boxes, and hooks for fan clamps, etc. as may be required for the other agencies. Nothing extra over the Agreement rates shall be paid for doing these.
3. The rates for all items of work shall unless specialized otherwise include the cost of all labor, material tools and plants, and other inputs involved in the execution of the item. The contractor (s) shall quote all-inclusive rates against the items in the schedule of quantities and nothing extra shall be payable for any of the conditions and specifications mentioned. In the tender documents unless specifically specified otherwise.
4. The building work shall be carried out in the manner complying in all respects with the requirements of the relevant bylaws and regulations of the local body under the jurisdiction of which the work is to be executed or as directed by the Engineer-in charge and nothing extra shall be paid on this account.
5. Huts for labor are not to be erected at the site of work, the contractor shall be required to provide such accommodation at a place as is acceptable to the local body and nothing extra shall be paid on this account.
6. The structural and architectural drawings shall at all times be properly co-related before executing any work. However, in case of any discrepancy in the item given in the schedule of quantities appended with the tender and Architectural drawings relating to the relevant item, the former shall prevail unless otherwise given in writing by the Engineer-in-charge.

CORRECTION (C)	NIL	E.E.
INSERTION (I)	NIL

7. The contractor shall take instructions from the Engineer-in-charge for the stacking of materials. No excavated earth or building materials etc. shall be stacked/collected in areas where other buildings, roads, services, compound walls, etc. are to be constructed.
8. Any trenching and digging for laying sewer lines/water lines/cables etc. shall be commenced by the contractor only when all men, machinery's and materials have been arranged and closing of the trench(s) thereafter shall be ensured within the least possible time.
9. It shall be ensured by the contractor that no electric live wire is left exposed or unattended to avoid any accidents in this regard.
10. In case the supply of timber/steel frames/shutters for doors, windows, etc. is made by some other agency, the contractor shall make necessary arrangements for their safe custody under the direction of the Engineer-in-charge till the same is fixed in position by him & nothing extra shall be paid on this account.
11. The contractor shall maintain in perfect condition, all portions executed till completion of the entire work allotted to him. Where however phased delivery of work is contemplated these provisions shall apply separately to each phase.
12. The entire royalty at the prevalent rates shall have to be paid by the contractor on all the boulders, metals, shingle sand, etc. collected by him for the execution of the work, directly to the Revenue authority or authorized agents of the State Government concerned or the Central Government, as the case may be.
13. The contractor shall bear all incidental charges for cartage, storage, and safe custody of materials issued by the departments and shall construct suitable godowns, and yards at the site of work for storing all materials to be safe against damage by sun, rain, dampness, fire, theft, etc. at his own cost and also employ necessary watch and ward establishment for the purpose, at his own cost. Materials to be charged directly to work and stipulated for issue free of cost shall also be issued to the contractor as soon as those are received at the site or the stipulated place of issue. The provision of this para shall apply equally and fully to those as well.
14. Registers for the materials to be issued by the department shall be maintained as required by the Engineer-in-charge and these shall be signed by the

contractor or his authorized agent and representative of the Engineer-in-charge on each day of transactions.

15. Temporary Electric connection shall be issued as per request and the water charges shall be recovered as per the rule
16. The contractor shall procure all the materials in advance so that there is sufficient time to test and approving of the materials and clearance of the same before use in work.
17. Contractor shall have to bring at least 50% quantity of total premium acrylic smooth exterior silicon additives paint and waterproofing cement paint and shall deposit it in the custody of the concerned site Engineer before the start of work. The consumption shall be monitored by the Department. All empty drums shall have to be kept till completion of work.
18. Contractor has to make a sample of exterior painting on the surface of the wall and after getting approval from the competent authority, he has to finish the rest of the work accordingly as per the satisfaction of the Engineer-in- charge.
19. The tenderer shall see the approaches to the site. In case any approach from the main road is required by the contractor, the same shall be provided, improved, and maintained by the contractor at his own cost. No payment shall be made on this account.
20. The contractor shall take all precautions to avoid accidents by exhibiting necessary caution boards day and night speed limit boards red flags, red lights, and providing barriers. He shall be responsible for all dangers and incidents caused to existing / new work due to negligence on his part. No hindrances shall be caused to traffic during the execution of the work.
21. The contractor shall provide at his own cost suitable weighing surveying and leveling and measuring arrangements as may be necessary at the site for checking. All such equipment shall be got calibrated in advance from the laboratory, approved by the Engineer-in-Charge. Nothing extra shall be payable on this account.
22. Any cement slurry added over the base surface for the continuation of concreting for the better bond is deemed to have been built in the items and nothing extra shall be payable for extra cement considered in consumption on this account.

CORRECTION (C)	NIL	E.E.

DELETION (D)	NIL	

23. The contractor shall bear all incidental charges for cartage, storage, and safe custody of materials issued by the department.
24. The works shall be carried out by the Architectural drawings and structural drawings, to be issued from time to time by the Engineer-in-Charge. Before commencement of any item of work, the contractor shall correlate all the relevant architectural and structural drawings issued for the work and satisfy himself that the information available thereof is complete and unambiguous. The discrepancy, if any shall be brought to the notice of the Engineer-in-Charge before execution of the work. The contractor alone shall be responsible for any loss or damage executed by the commencement of work based on any erroneous and or incomplete information.
25. Other agencies will also simultaneously execute and install the works of electrification, air conditioning, lifts, fire-fighting, etc. for this work and the contractor shall provide necessary facilities for the same. The contractor shall leave such recesses, holes openings, etc. as may be required for the electric, air-conditioning and other related works (for which inserts, sleeves, brackets, conduits base pinion, clamps, etc. shall be supplied free of cost by the department unless otherwise specifically mentioned) and the contractor shall fix the same at the time of casting of concrete, stone work & brickwork, if required and nothing extra shall be payable on this account.
26. The contractor shall conduct work so as not to interfere with or hinder the progress or completion of the work being performed by another contractor (s) or by the Engineer-in-Charge and shall as far as possible arrange his work and shall place and dispose of off the materials being used or removed so as not to interfere with the operations of other contractor or he shall arrange his work with that of the others in an acceptable and coordinated manner and shall perform it in the proper sequence to the complete satisfaction of others.
27. All Architectural drawings given in the tender other than those indicated in the nomenclature of items are only indicative of the nature of the work and materials/fixings involved unless and otherwise specifically mentioned. However, the work shall be executed by the drawings duly approved by the Engineer-in-Charge.
28. Existing drains, pipes, cables, overhead wires, sewer lines, water lines, and similar services encountered in the course of the execution of work shall be protected against damage by the contractor at his own expense. The contractor shall not store materials or otherwise occupy any part of the site in a manner likely to hinder the operation of such services.

29. The contractor shall be responsible for the watch and ward/guard of the buildings, the safety of all fittings and fixtures including sanitary and water supply fittings and fixtures provided by him against pilferage and breakage during the period of installations and thereafter till the building is physically handed over to the department. No extra payment shall be made on this account.
30. The contractor shall be fully responsible for the safe custody of materials brought by him issued to him even though the materials are under a double lock key system.
31. No payment shall be made to the contractor for any damage caused by rain, snowfall, floods, earthquake, or any other natural causes whatsoever during the execution of work. The damages of the work will be made good by the contractor at his own cost and no claim on this account shall be entertained.
32. For construction works that are likely to generate malba/rubbish to the tune of more than a tempo/truckload, the contractor shall dispose of malba, rubbish & other unserviceable materials, and wastes at their own cost to the notified/specified dumping ground and under no circumstances these shall be stacked/dumped, even temporarily outside the construction premises.
33. The contractor has to follow all safety norms as laid down in the National Building Code of India. All the workers shall be equipped with the required safety gadgets while working at a site such as ISI marked helmets, Shoes and safety belts, gumboots, gloves, etc.
34. The proposed work is a prestigious project and quality of work is of paramount importance. The contractor shall have to engage well-experienced skilled labor and deploy modern T&P and other equipment to execute the work. Many items like stone masonry & stone cladding works, stone flooring, structural glazing, PVDF coating aluminum composite panel, and other specialized flooring work, Wood work will especially require the engagement of skilled workers having experience, particularly in the execution of such items.
35. Samples of all materials and fittings to be used in the work in respect of brand manufacturer and quality shall be got approved by the Engineer-in-Charge, well in advance of actual execution and shall be preserved till the completion of the work. Articles bearing BIS certifications mark shall only be used unless no manufacturer has got a BIS mark for the particular material. Any material/fitting whose sample has not been approved in advance and any other unapproved

material brought by the contractor shall be immediately removed as soon as directed.

36. Unless otherwise specified in the schedule of quantities the rates for all items shall be considered as inclusive of pumping/baling out water, if necessary, for which no extra payment shall be made. Those conditions shall be considered to include water from any source such as inflow of flood, surface and sub-soil water, etc. and shall apply to the execution in any season.
37. The rate for all items in which the use of cement is involved is inclusive of charges for curing.
38. Being an individual work contract no other tax is payable other than GST.
39. The quoted rates shall be for all surfaces including the plan brickwork faced with recessed, raised, or struck pointing, no extra claim on this account shall be considered.
40. No overloaded trucks of the construction material (coarse sand, stone grit, and stone ballast) are allowed to enter in the residential area. The contractor has to make arrangements to get collected the construction material at the store or appropriate place near the work site and from that place the material may be carried through the tractor & trolley only.
41. All required protocols for Covid-19 issued by the Gov. of India from time to time shall have to be followed by the contractor at the site, the contractors are advised to quote the rates accordingly.
42. The defect liability shall be for 1 year from the actual date of completion of the work.

SPECIAL TERMS AND CONDITIONS

1. Contractor will thoroughly clean all paint marks left here and there due to spilling and splashes of paint at no extra cost.
2. Contractor will first submit the shade cards of relevant make of paint to IIT for approval of color before procuring the paint in bulk.
3. No mixing will be allowed with the strainer to achieve a particular color. The contractor will procure direct color paint of approved shade and apply it directly
4. Contractor will arrange proper metal ladders, and M.S. double scaffolding (for painting at higher levels) at his own cost and will take all safety measures like a double harness safety belt, mechanized electrically operated platform, etc. If it is observed that work is proceeding without adequate safety precautions, work may be stopped by the IIT engineer and in such cases, the contractor will be solely responsible for the delay and its consequences thereof.
5. Contractor’s job will also include removing all malba and debris arising in the process of painting including washing of floor to remove stains of paint, at no extra cost.
6. No double scaffolding is payable in single-story houses including parapet walls. In multistoried houses, the payment of double scaffolding shall be made after 3.5 meters from the plinth protected level. The necessary deductions for single scaffolding are made from the items. Contractors are advised to visit the site & quote the rates accordingly.

TECHNICAL SPECIFICATIONS

1. All painting material to be used should be of “**Premium/first quality**”.
2. For external paint, the Contractor will thoroughly clean and wash the existing cement-painted wall surfaces before starting paint at no extra cost. The contractor’s quoted rates will be included scrapping the loose paint and cleaning the entire surface with a wire brush/sandpaper/broom.
3. There should be proper time gaps (at least 4 hours) between two coats of paint to ensure the drying of the first coat of paint.
4. The approved quality, make & shade of paint shall be maintained by the contractor throughout the work. The covering capacity ratio concerning the quantity of paint should be strictly adhered to by the Contractor as per specification. For any lapse/ deficiency in this regard, a suitable deduction shall be made from the contractor’s bill.

SCOPE OF WORK

PROJECT OVERVIEW

The project named Conversion of one room located in front of the washroom into a bathroom to meet the daily requirements at block-C, D, E & E' of hall-4 contains the following works to be done to ensure the safety of users as per the latest policy and norms set by the Hon'ble Board of Governors of Indian Institute of Technology, Kanpur.

1. Excavating trenches of required width for pipes, cables, etc. including excavation for sockets, dressing of sides, ramming of bottoms, depth up to 1.5 m.
2. Providing and laying Ceramic glazed floor tiles of size 300x300 mm.
3. Providing and fixing tiled false ceiling of specified materials of size 595x595 mm in true horizontal level.
4. Providing and applying white cement-based putty of the average thickness of 1 mm
5. Providing and fixing soil, waste, and vent pipes of various dia.
6. Providing and fixing G.I. pipes of various dia complete with G.I. fittings and clamps.
7. Providing and fixing white vitreous china extended wall mounting water closet.

MILESTONES & DELIVERABLES

The contractor shall inform the Engineer in charge in advance, for verifying the measurement of the concealed items like reinforcement, PCC, Plaster, GI pipes, CI pipes laying, etc., done by the contractor on the very day of the above-said events.

SCOPE & TECHNICAL DETAILS

The site mentioned above is an occupied place therefore, the performance of the instruments/tools or machinery to be used should be checked precisely before using them on site. The conventional methods of construction are usually incorporated for vacant houses and the P/L of the pipeline may be changed within limits by the Engineer in charge as per the requirement and feasibility of the construction site.

The areas surrounding the site are of prime importance to the institute and therefore the contractor should maintain the aesthetics and housekeeping of the construction site, to ensure a neat construction site, pleasing to the eye, as per the satisfaction of the Engineer in charge

Article 3: Consequences of Breach

Without prejudice to any rights that may be available to the principal/Owner under law or the Contract or its established policies and laid down procedures, the Principle/Owner shall have the following rights in case of breach of this Integrity Pact by the Bidder(s)/Contractor(s) and the Bidder Contractor accepts and undertakes to respect and uphold Principal/Owner’s absolute right:

- 1) If the Bidder(s)/Contractor(s), either before award or during the execution of Contract has committed a transgression through a violation of Article 2 above or in any other form, such as to put his reliability or credibility in question, the Principal/Owner after giving 14 days notice to the contractor shall have powers to disqualify the Bidder(s)/Contractor(s) from the Tender process or terminate/determine the contract, if already executed or exclude the Bidder/contractor from contract, award process. The imposition and duration of the exclusion will be determined by the severity of transgression and determined by the Principal/Owner. Such exclusion may be forever or for a limited period as decided by the Principal/Owner.

- 2) Forfeiture of EMD/Performance Guarantee/Security Deposit: If the Principal/Owner has disqualified the Bidder(s) From the Tender process before the Award of the contract or terminated/determined the contract or has accrued the right to terminate/determine the contract according to Article 3(1), the Principal/Owner apart from exercising any legal rights that may have accrued to the Principal/Owner, may in its considered opinion forfeit the entire amount of Earnest Money Deposit, Performance Guarantee and Security Deposit of the Bidder/Contractor.

- 3) Criminal Liability: If the Principal/Owner obtains knowledge of the conduct of a Bidder or Contractor, or of an employee or a representative or an associate of a Bidder or Contractor which constitutes corruption within the meaning of IPC Act, or if the Principal/Owner has substantive suspicion in this regard, the Principal/Owner will inform the same to law enforcing agencies for further investigation.

Article 4: Previous Transgression

- 1) The Bidder declares that no previous transgression occurred in the last 5 years with any other Company in any country confirming to the anticorruption approach

or with Central Government or State Government or any other Central State Public Sector Enterprises in India that could justify his exclusion from the Tender process.

- 2) If the Bidder makes an incorrect statement on this subject, he can be disqualified from the Tender Process or action can be taken for banning business dealing with holiday listing of the Bidder/Contractor as deemed fit by the Principal/Owner.
- 3) If the Bidder Contractor can prove that he has resorted to recouped the damage caused by him and has installed a suitable corruption prevention system, the Principal/Owner may, at its discretion revoke the exclusion prematurely.

Article 5: Equal Treatment of all Bidders/Contractors/Subcontractors

- 1) The Bidder(s)/Contractor(s) undertake(s) to demand from all subcontractors a commitment in conformity with this Integrity Pact. The Bidder/Contractor shall be responsible for any violation(s) of the principles laid down in this Agreement/Pact by any of its subcontractor’s sub-vendors.
- 2) The Principal/Owner will enter into pacts on identical terms as this one with all bidders and Contractors.
- 3) The Principal/Owner will disqualify Bidders, who do not submit the duly signed Pact between the Principal/Owner and the Bidder, along with the Tender, or violate its provisions at any stage of the Tender process, from the Tender process.

Article 6: Duration of the Pact

This Pact begins when both parties have legally signed it. It expires for the Contract/Vendor 12 months after the completion of work under the contract or till the continuation of the defect liability period, whichever is more, and for all other bidders, till the contract has been awarded.

If any claim is made/lodged during the time, the same shall be binding and continue to be valid despite the lapse of this Pacts as specified above, unless it is discharged/determined by the Competent Authority, IIT Kanpur.

Article 7: Other Provision

- 1) This Pact is subject to Indian law, the place of performance and jurisdiction is the Headquarters of the division of the Principal/Owner, who floated the Tender.
- 2) Changes and supplements need to be made in writing. Side agreements have not been made.
- 3) If the contractor is a partnership or a consortium, this Pact must be signed by all the partners or by one or more partners holding power of attorney signed by all

partners and consortium members. In the case of a company, the Pact must be signed by a representative duly authorized by board resolution.

- 4) Should one or several provisions of this Pact turn out to be invalid; the remainder of this pact remains valid. In this case, the parties will strive to agree on their original intention.
- 5) It is the agreed-on term and condition that any dispute or difference arising between the parties about the terms of this Integrity Agreement / Pact, any action taken by the Owner/Principal by this integrity agreement/Pact, or the interpretation thereof shall not be subject to arbitration.

Article 8: LEGAL AND PRIOR RIGHTS

All right and remedies of the parties hereto shall be in addition to all the other legal rights and remedies belonging to such parties under the Contract and/or lawyers and the same shall be deemed to be cumulative and not alternative to such legal rights and remedies aforesaid. For the sake of brevity, both the Parties agree that this Integrity Pact will have precedence over the Tender/Contract documents about any of the provisions covered under this Integrity Pact.

IN WITNESS WHEREOF the parties have signed and executed this Integrity Pact at the place and date first mentioned above in the presence of the following witnesses:

.....
(For and on behalf of Principle/Owner)

.....
