Sub: Inviting sealed quotation for 8 and 12 Channel Computer controlled Data Acquisition System

Dear Sir/Madam,

Sealed quotation is invited for the following items.

- 1) 8 channel Computer controlled Data Acquisition System along with required software (capable of connecting all sensors - LVDT, Pressure transducer and Load cell)
- 2) 12 channel Computer controlled Data Acquisition System along with required software (capable of connecting all sensors -LVDT, Pressure transducer and Load cell)

Kindly arrange to send the quotation(s) with detailed specifications of the item in a sealed envelope to the following address so as to reach to the undersign on or before the closing date of enquiry. The quotation should have a validity of minimum 60 days. The undersign reserves the right to accept the offer in part or full or reject without assigning any reason.

Thanks and regard
