

S.No	Technical Specification For EV	
1	Vehicle Type	LMV (CAR)
2	Motor (Type)	Permanent Magnet Synchronous Motor
3	Electric motor power (PS)	129
4	Electric motor torque (Nm)	>240 Nm
5	Drive modes	Multi Drive modes (Drive & Sports)
6	Battery pack	>30 kWh High energy density Lithium ion battery pack
7	Thermal management system	Liquid cooled
8	Ingress protection for motor & battery pack	IP 67
9	Acceleration (0-100 km/h in s)	<10 seconds
10	Gradeability (%)	34%
11	Emission	Zero tailpipe emission
12	Smart Drive Features	Smart regenerative braking, Hill Ascent Assist, Hill Descent Assist
13	Transmission	Single speed transmission for automatic like drive
14	Length x Width x Height (mm)	<4000 x <1900 x >1606
15	Wheelbase (mm)	2498
16	Ground clearance (mm) - unladen	>200
17	Boot space (l)	350
18	Kerb weight (kg)	1400
19	Steering	Electrically power assisted
20	Turning circle radius (m)	<5.25
21	Front, Rear	Disc, Drum
22	Front Suspension	Independent MacPherson strut with coil spring
23	Rear Suspension	Twist beam with dual path Strut
24	Wheel/Tyre Size	R 16 215 / 60 LR
25	Wheel/Tyre Type	Alloy
26	Charging Standard	CCS2
27	Estimated regular charging time (SOC 10% to 90% from any 15 A plug point)	8.5 Hours
28	Estimated Fast Charging time (SOC 0%-80%)	60 Minutes
29	Warranty - Battery pack motor warranty	8 Year or 1 60 000 km* (whichever is earlier)
30	Warranty - Vehicle warranty	3 Year or 1 25 000 km* (whichever is earlier)
31	Color	White
32	Projector headlamps with Tri- arrow DRLs	Required
33	Tri-arrow signature LED tail lamps	Required
34	Floating roof	Dual Tone
35	Piano black ORVMs with turn indicators	Required
36	Roof Rails	Required
37	Door side body cladding for scratch protection	Required
38	Electric blue accents on humanity line, side beltline, X-Factor	Required
39	16" Diamond-cut alloy wheels	Required
40	Body colored door handles	Required
41	Fully automatic temperature control	Required
42	Rear AC vents	Required
43	Height adjustable driver seat	Required
44	Height adjustable front seat belts	Required
45	Remote central lock	Required
46	Smart key with push-button start (PEPS)	Required
47	Power Windows (All 4)	Required
48	Electrically operated ORVM	Required
49	Fast USB charging port at front	Required
50	12V front power outlet	Required
51	12V rear power outlet	Required
52	Electric tailgate release	Required
53	Rear wiper and wash system	Required
54	Boot lamp	Required
55	Tri-arrow themed Interiors	Required
56	Flat bottom steering wheel	Required
57	Leatherette wrapped steering wheel	Required
58	Cup / Can holder on central console	Required
59	1 Litre bottle holder in all doors	Required
60	Umbrella holder in front doors	Required
61	Rear seat central armrest with 2 cupholders	Required
62	Multi-utility glove box	Required
63	Cooled & illuminated glove box	Required
64	Floating Dash-top touchscreen infotainment	Screen Size > 6.5 inches
65	Speakers count	8
66	Bluetooth Connectivity	Required
67	Steering Mounted Audio, Phone & Voice Controls	Required
68	Puncture Repair Kit	Required

S.No	Technical Specification For EV	
69	Driver & Co-driver airbags	Required
70	ABS with EBD and CSC	Required
71	Driver seat belt with pretensioners, load limiters & crash-locking tongue	Required
72	Child -safety rear door locks	Required
73	Follow-me-home headlamps	Required
74	ISOFIX anchorage points for child-seat	Required
75	Front fog lamps	Required
76	Rear defogger	Required
77	Camera based reverse park assist (with dynamic guideways)	Required
78	Safety & Security - Intrusion alert, Stolen vehicle tracking, Panic notification, Remote immobilization etc.	Required
79	Location Based Services - Find nearest charging and service station, find my car, Geo-fencing, Time fencing etc.	Required
80	Remote Commands - Remote door lock/unlock, Remote cooling, Remote vehicle diagnostics, Remote lights ON/OFF etc.	Required
81	Vehicle Health Alerts	Required
82	Trip analytics & driver behaviour score	Required
83	Social tribes	Required
