Sub: Purchase of Laboratory Analytical Balance
Enquiry no.: **iitk/che/ag/2016/1**

We wish to purchase a laboratory, precision, analytical balance for measuring minimum weight of 0.1 mg and maximum of 500 gm. Vendor should quote for 2 years warranty and mention the type of services e.g. preventive/breakdown will be available. The vendor should mention also the maintenance/calibration covered under warranty with its interval and cost criteria.

Kindly send the quotation in sealed envelope to the undersigned by Feb 26th, 2016.
Thanks and regards,

Animangsu Ghatak
