Subject: Extension of Tender opening date for Lighting and Sound for Techkriti'20

Respected Sir,

Techkriti'20 floated a tender for lighting and sound arrangement during the festival. Unfortunately, on 24th Feb 2020, the number of quotations were less than 3. It was decided by the committee that the tender opening shall be extended to 1st March 2020. I would like to request you to kindly approve the same.

Thanking you,
 Sincerely,

Suryansh
