### Corrigendum Notice

With reference to our enquiry no. E/2017-2018/42 dated 26.02.2018 floated on IIT Kanpur website and CPP Portal:

1. Please read description of the material as follows;

"Photocopier paper A4 Size in Original Mill Packing - 75GSM, 500 sheets per packet, net weight per packet = 2.34kg" instead of "JK Photocopier Paper A4 size in original mill packing (Red) 75 GSM".

2. Bidders should attach Sample of Photocopier Paper with their bids.

3. Bids will be evaluated on the basis of quality of sample paper submitted.

4. The paper will be inspected physically, immediately after supply and if it is found that the supply does not match with the sample or the supplied material is of inferior quality, the supply will be rejected & returned and payment, if any, made to the supplier will have to be refunded by the supplier within 7 days to IIT Kanpur.

Other terms and conditions will remain the same.
