M. Aswani Kumar (Member)

The following issues were discussed in MSWC meeting that was held on 19th May 2017:

1. Ratification of the previous minutes:

There was no correction in the draft minutes, and minutes have been uploaded on the website.

- 2. Transfer of MSWC bank account from UBI to SBI, IIT Kanpur:** SBRA office maintains all its funds and transactions through a UBI account since the beginning of the formation of MSWC. The institute is moving towards cashless and paperless transactions to overcome the laborious and tedious manual process. So far the MSWC maintenance and SBRA guest room charges were paid by the residents through cheque. Hence, the MSWC committee has taken up this issue and decided to accept the e-transactions through SBII-Collect for paying maintenance charge or net banking for paying guest room charges in future. This will help the SBRA to overcome the burden of any check bounce cases and in a way will also comply with the institute norms in this regard. To avail this facility, the MSWC committee has felt the necessity to transfer the UBI account to SBI bank as SBI offers these services to IITK residents at no additional charges. The committee has arrived at this conclusion keeping in view that most of the students access their accounts through SBI. This will also help in overcoming the inter-bank transaction charges while paying the guest room charges. Therefore, the MSWC has decided to pursue the matter with the UBI to check whether it can provide online banking facility at nominal charges, failing which the account will be transferred to SBI. The MSWC nominates the Convener and the Accounts Secy to initiate and monitor the process under the supervision of Warden-In charge. The transfer of the existing funds from the UBI to the new account in SBI will be carried through demand draft if required.

Minutes of the MSWC meeting will be put up on the SBRA website after the ratification.
